

## Annual General Meeting Postponed

The Lakeland REA Board of Directors are very concerned with the health and safety of our membership and staff during these difficult and unprecedented times.

In accordance with the Alberta Health Services (AHS) restrictions on the number of attendees at an indoor meeting, the LREA Board of Directors has decided to postpone the 2020 AGM, typically scheduled for November, until further notice. Over the last 5 years, the attendance at our Annual General Meetings (AGM) has ranged from 86 to 434 members. Once COVID-19 restrictions are lifted and large indoor gatherings are permitted, your Board of Directors is committed to giving notice and proceeding with the 2020 AGM as per the Rural Utilities Act.

Typical AGM business such as review and approval of Audited Financials and other pertinent reports, appointment of an auditor and the election of Directors shall take place at that time.

In the meantime, watch your mail for a booklet containing the Board approved 2019-2020 Audited Financial Statements, President's Report and Manager's Report.

Thank you for your patience as we move through this together.
