

Distributing Power and Building Community

January Newsletter

AGM UPDATE

Lakeland REA's main goal is keeping our membership and staff as safe as possible during COVID. We are keeping a close eye on the COVID 19 updates and restrictions and Lakeland's hope is to have the 2020/2021 AGM in early 2022.

We will inform our membership as soon as we can with a date.

Please watch the future Newsletters, Website, and Facebook for any updates.

Thank you for your patience and understanding during these times.

STABLE ENERGY RATE

If you are currently on our Regulated Rate Option (RRO), you have the option to switch to our current Stable Rate option 8.49 cents/kWh which expires on Dec 31, 2022.

Please contact the office to sign up today.

COOPERATIVE YOUTH LEADERSHIP PROGRAM

Lakeland REA is looking to sponsor a youth aged 15–16 year-old for the ACCA Co-operative Youth Leadership Program.

The program dates for this age group are July 12-18, 2022.

The ACCA Co-operative Youth Leadership Program is an inspiring 7-day summer camp that helps teaches youth about co-operatives and helps them find their place in the world. Make plans to join us in 2022!

Registration will open in January; visit the Lakeland REA website under Member Services then Member Community for more details! www.lakelandrea.com

MEMBER BENEFIT PROGRAM

Thank you to all the businesses participating in our Member Benefit Program. We are looking to add more in the new year. Please check out our website for a listing of participating businesses under Member Benefit Program.

www.lakelandrea.com

If you own a business and would like to become a Member Benefit Partner, please contact Patti Johnston at 780-632-6112 for more information.

ACCESS TO TRANSFORMER POLE

Please ensure the area up to and around your transformer pole has the snow plowed and is free of vehicles and debris to ensure our equipment has sufficient access in the event of a power outage and work needs to be done to your transformer.
