2022 for Labor Day.

We want to thank all of our members for braving the rain in support of the Country Town, Big Sounds Parade in Vegreville on August 3!
Lakeland REA was excited to share goodies within the community, and as always, it was great seeing so many happy, familiar faces!

Harvest and Line Safety

Harvest is right around the corner for most farmers.

Lakeland REA wants to remind you to be safe this harvest season and to watch for overhead powerlines.

Be sure you know the location of overhead powerlines and that your equipment (and bins!) can pass under safely. Exercise caution if items being moved are higher than 4.88 meters (16 feet). If you are unsure, call the office.

One of our Linemen will come out and measure the line for you.

Unplanned Power Outages

If your power goes out, BEFORE you call please check your breaker on your transformer pole.

If there is still no power after you reset your breaker, call us at **1-866-635-6112**.

Please know your legal land description or gate sign beforehand and the approximate time the power went out, so our linemen can assist you better.

Don't rely on your neighbor to call as you may be the only one affected!

All calls are important to help troubleshoot the location of the outage!
