

We would like to thank our members affected by the Power Outage caused by the storms on Thursday, July 13 and Thursday, July 20, 2017. The linemen were restoring power as quickly as possible through out the storm. Thank you for your patience and understanding.

2017 LAKELAND REA BOARD NOMINATIONS

At the 2017 LREA Annual General Meeting there will be three vacancies which will be filled as per the By-Law passed at the 2012 AGM. The particular positions are Barich (Zone 1) ; Hilliard (Zone 3) ; and Lavoy (Zone 4), all of which are for a 3 year term.

A nomination form for the position of Director must have the signature of the candidate certifying that he/she is a “member in good standing” and eligible for election. The member making the nomination must also sign the nomination form indicating that he/she is also a “member in good standing”.

SITES THAT ARE CRITICAL TO HAVE POWER

Lakeland REA would like to ask members requiring devices for medical conditions that use electricity to advise the office. This will allow us to contact you personally in the event of a planned power outage so that you can make arrangements for a back up power supply.

Members that operate intense livestock operations such as hog barns or poultry barns should also advise the office so that we are able to contact you personally to advise you of the planned power outage.

POWER OUTAGE NOTE

If your power is out, before you call please check your breaker on your transformer pole. If it's not your breaker, call us at 1-866-635-6112. Please know your legal land description beforehand and the approximate time the power went out at, so our linemen can assist you better. Don't rely on your neighbor to call!
