Unplanned Power Outage

If your power goes out, BEFORE you call please check your breaker on your transformer pole. If it's not your breaker, call us at 1-866-635-6112. Please know your legal land description or gate sign beforehand and the approximate time the power went out at, so our linemen can assist you better.

Don't rely on your neighbor to call as you may be the only one affected!!

All calls are important to help trouble shoot the location of the outage!

Homeowner Insurance

Damages from hazards such as lightning strikes, power line surges and other such issues are covered by your Homeowners Insurance Policy. Lakeland REA Ltd. does not assume any responsibility for any damages to possessions due to any of the above.

Members are encouraged to ensure that their homeowners insurance policy is current.
