

LAKELAND REA Newsletter

December 2016

What's New in 2017!

Lakeland REA has changed billing systems, we are now with Alberta Utility Billing (AUB). This new billing system has more features for us in the office and for our Members. Please look forward to seeing our new invoices in January.

Emailing Invoices

One addition to our new billing system is the ability to email invoices out to our members.

If you are interested in this option please e-mail our office and we will update your account. Please email your request to admin@lakelandrea.ca with your account number and account name or call the office @ 780-632-6112.

Members will continue to get paper invoices in the mail if you decide this option isn't for you.

How to Reduce Consumption

Here are some tips on how to reduce your monthly consumption during the cold season.

1. Shut down your computers.
2. Change your old light bulbs to LEDs, and turn off lights when you leave the room.
3. Unplug your chargers when they are not in use.
4. Use timers on block heaters & Christmas lights.
5. Turn down thermostat.

Carbon Tax Information

Do you have questions on how the carbon tax will affect your household? Take a look at these links.

<https://www.alberta.ca/climate-carbon-pricing.aspx#p184s3>

This link has a calculation to help estimate how much extra you'll pay in the upcoming years.

Call Before you Dig!

If you are planning to start a new project in the New Year, and you need to do any digging, please call 2nd Call! If you are looking for more information on what 2nd Call can do for you, take a look at the website www.2ndcalllocating.com or call 1-855-2ND-CALL (1-855-263-2255). A simple phone call could keep your project under budget.

Thank you for all the support over the past year! The Lakeland REA Board, Management and Staff would like to wish you a safe and happy holiday season and all the best in 2017!
