

November 2021

REMEMBRANCE DAY
Let's Not Forget

Annual General Meeting Postponed

The health and safety of our membership and staff are the number one priority of your Lakeland REA Board of Directors. **As Alberta remains in a health care crisis due to the COVID-19 pandemic, the decision has been made to POSTPONE our 2020 and 2021 Annual General Meetings, which were scheduled for October 27th, until further notice.** We feel this is necessary and prudent in light of the increasing number of COVID cases in our province, and concerns about the progression of the pandemic.

The Lakeland REA Board of Directors value the members input and democratic voting rights of the membership that is typically displayed at the Annual General Meeting. Once the situation improves for the safety of our membership, staff and health care systems, the Lakeland REA Board of Directors is committed to giving usual notice and proceeding with the 2020 and 2021 AGM as per the Rural Utilities Act. Typical AGM business such as the review and approval of financials and other pertinent reports, appointment of an auditor, the election of directors and appeal process for expelled members shall take place at that time.

You would have received our AGM Booklet in the mail within the past couple weeks containing the 2020-2021 Audited Financial Statement, 2019 Draft AGM Meeting Minutes, as well as several reports.

The office is currently closed to our members and the public. Our staff remain working in the office and in the field providing top notch service. There will be no impact to the services provided or to outage restoration times.

We look forward to being able to meet with you in the future.

Stable (Fixed) Energy Rate

Energy prices continue to be very volatile. It's hard to predict what electricity prices are going to look like in the coming months but industry experts predict the energy prices will continue to be explosive for the balance of the year and well into 2022.

If you are unsure as to what rate you are paying, please take a look at the back page of your most current electricity bill, under Energy Charges, if it states "Energy charges RRO rate", you are on the variable rate with fluctuates with the market.

If you are currently on our Regulated Rate Option (RRO), you have the option to switch to our current Stable Rate option is 8.49 cents/kWh which expires on December 31, 2022.

Please contact the office at 780-632-6112 and we can send you a Stable Rate contract by DocuSign, email or mail.

Energy charges - September 1

Energy charges RRO rate

144 kWh X \$0.11215/kWh =

47 kWh X \$0.11215/kWh =
